

Tutti i colori del tricolore italiano in un calice di vino made in Campania. Rosso come il vino del Taburno, bianco proprio come i vigneti del casertano e dei Campi flegrei e verde per richiamare l'intenso bouquet dei prodotti enologici dell'Irpinia e del Cilento. L'eccellenza vitivinicola campana si presenta al mercato americano attraverso una selezione delle migliori aziende regionali. Venti imprese del vino in rappresentanza di tutte le cinque province pronte a fare da ambasciatrici del made in Campania.

Maurizio Maddaloni **Presidente Unioncamere Campania**

All the colors of the Italian flag are reflected in a glass of wine made in Campania: Red, as embodied in the wines of Taburno; white, just like the vineyards in the area of Caserta and the volcanic Phlegraean Fields and green, as a recollection of the intense bouquet of the wines from Irpinia and Cilento.

Campania's Wine Excellence introduces itself to the American market through a selection of its best vintners. Twenty wine companies representing all five of Campania's provinces, ready to act as regional Ambassadors for Made in Campania.

Maurizio Maddaloni **President of Unioncamere Campania**
